Dear Ed,

I am happy to present you with your ThinkGlobal/Commercial News USA Exporter of the Year Award.

My apologies that we were not able to coordinate an in-person presentation of your award.

As a past Exporter of the Year award winner, you may use the Exporter of the Year logo in any future advertisements. We also will continue to keep your company archived on the [exporteroftheyear.com](http://exporteroftheyear.com) web pages.

We appreciate your participation in the Exporter of the Year Awards program, and look forward to working with you in the future.

All the Best,

Gregory Sandler, Publisher
